Student Media Release and Parental/Guardian Consent

Junior Achievement USA and Junior Achievement of Middle Tennessee (collectively “JA”) engage with volunteers (each, a “JA Volunteer”) to deliver educational programs in-person and online (“JA Programs”). When the Student participates in JA Programs digitally, the Student’s Likeness (defined below) may be captured and reproduced. This Student Media Release and Parental/Guardian Consent (this “Agreement”) (1) authorizes JA to use the Likeness of the Student as described below, (2) permits JA to use work product created by the Student in connection with JA (“Student Work Product”) and (3) allows JA to collect and use Student personal information in accordance with the JA USA Privacy Policy. See <https://links.ja.org/web/ja-usa/privacy-policy> (the “Privacy Policy”). For good and valuable consideration, including the opportunity to participate in JA Programs, I agree as follows:

Student’s Likeness

- JA may use Student’s name, voice, image, picture, silhouette, and other aspects of Student’s likeness (“Likeness”) in any recording, video, still-image, photograph, webinar, online event or other form of media (collectively, “Media”), in connection with JA Programs and/or the Student Work Product, or for any purpose related to JA, including with promotional materials, advertising, and publicity. Student waives any right of inspection or approval of the use of Likeness.
- JA **will not** permit use of Student’s Likeness by unaffiliated third parties, or for any third party commercial use or use contrary to JA’s educational mission of empowering young people.

Student Work Product

- I grant JA a non-exclusive, perpetual, irrevocable, sublicensable and royalty-free right and license to copy, distribute, publicly display, publicly perform, create derivative works, edit, enhance, publish and use any Student Work Product in any medium and in any manner throughout the world, for any purpose related to Junior Achievement. JA is not obligated to use the Student Work Product in any way.
- I confirm that any Student Work Product that I furnish or allow JA to use is free of third-party content and materials and does not infringe upon any copyright, trademark, or other third-party property rights, and does not contain libelous or scandalous matter.

Privacy Consent

- To access web-based content and/or online Media, students may be asked to provide certain personal information, such as first and last name, email address, and username, which is collected and used in accordance with the Privacy Policy, as updated from time to time. I give my consent for JA to collect and use such Student personal information in accordance with the Privacy Policy.

I will not sue, dispute, challenge, or institute proceedings against JA for using the Student Work Product or Student’s Likeness in accordance with this Agreement, and I hereby waive all claims, damages and expenses arising directly or indirectly from the same. I agree to hold JA harmless from any and all actions, damages, and liabilities that may arise by or in connection with a breach of my representations herein. I am signing this Agreement voluntarily, understanding that it benefits and binds both myself and JA and our respective heirs, representatives, transferees and successors, as applicable.
