COMPANY SUMMARY:

Junior Achievement: Empowering young people to own their economic success®

At Junior Achievement, we give young people the knowledge and skills they need to own their economic success, plan for their future, and make smart academic and economic choices. Our corporate and community volunteers deliver relevant, hands-on experiences that give students from kindergarten through high school knowledge and skills in financial literacy, work readiness, and entrepreneurship. JA programs empower students to make a connection between what they learn in school and how it can be applied in the real world – enhancing the relevance of their classroom learning and increasing their understanding of the value of staying in school.

Junior Achievement associates are known for their passion for the JA mission that brings together business and education to work with students in kindergarten through high school so they are empowered to own their economic success. Members of the JA team interact with community leaders who support JA with their time, treasure, and talent. Junior Achievement of Middle Tennessee offers a collaborative, inclusive work environment and the opportunity to impact the lives of young people in our community.
