

JA BOWL-A-THON

HOW IT WORKS

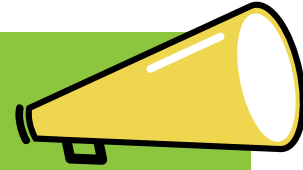

1

Companies select a coordinator to work with JA staff to assist with logistics and communication

2

Coordinators recruit team captains and bowlers

3

Team captains recruit 4 people to join their team and are asked to raise \$625 (\$125 per bowler) to provide JA curriculum to 5 classrooms

4

Bowlers raise money by reaching out to friends, family, and coworkers and using tools provided by JA

5

Bowlers celebrate their success with 2 games of bowling, contests, and fun! Each bowler pays a \$10 registration fee that includes a t-shirt!
