## **GRADES K-2**

The Cha-Ching Videos can be used as a single lesson or series, and the Piggy Bank Savings is an easy and fun activity for young students.

The activity on Choosing a Financial Institution and the Cha-Ching Videos work well with this age bracket.

## **MIDDLE SCHOOL**

The Compare and Contrast Payment Method helps students get a head start before students start thinking about jobs in high school.

## **HIGH SCHOOL**

Share an episode or two from Junior Achievement's Podcast, The Money Jar. Episodes #159 and #101 are good starting points.
